Members must ensure that tickets bought via the Club and given to them are not given / sold to anyone they do not know / trust. If a member no longer needs ticket(s) bought via the Club, they should contact the International Ticket Secretary who will arrange for the tickets to be re-allocated to another Club member.

Any member or a member's guest who sells International Tickets to third parties or ticket touts will be subject to Club disciplinary procedures.

To be eligible to apply for international tickets you **MUST** be a current paying member of the Club.
